

Title	Link	Date	Department
Hugh Xiao Dissertation Defense	seas.yale.edu/news-events/events/hugh-xiao-dissertation-defense	2024-04-01	seas, engineering, biomedical engineering, chemical & environmental engineering, electrical engineering, mechanical engineering, materials science, bme, cee, ee, mems
RF-Visual Perception with Applications to Mobile Sensing, Robotics, & Augmented Reality	seas.yale.edu/news-events/events/hugh-xiao-dissertation-defense	2024-04-01	seas, engineering, biomedical engineering, chemical & environmental engineering, electrical engineering, mechanical engineering, materials science, bme, cee, ee, mems
The Next Leap in Hardware Systems	seas.yale.edu/news-events/events/hugh-xiao-dissertation-defense	2024-04-04	seas, engineering, biomedical engineering, chemical & environmental engineering, electrical engineering, mechanical engineering, materials science, bme, cee, ee, mems
EE Seminar - Towards Ultimate Efficiency in Ubiquitous ML Powered Intelligence and Green AI	seas.yale.edu/news-events/events/hugh-xiao-dissertation-defense	2024-04-08	seas, engineering, biomedical engineering, chemical & environmental engineering, electrical engineering, mechanical engineering, materials science, bme, cee, ee, mems
Understanding the phase preferences of transition metal dichalcogenides - Pratibha Dev	seas.yale.edu/news-events/events/hugh-xiao-dissertation-defense	2024-04-10	seas, engineering, biomedical engineering, chemical & environmental engineering, electrical engineering, mechanical engineering, materials science, bme, cee, ee, mems
AP Seminar: New Physics in Driven Quantum Material	seas.yale.edu/news-events/events/hugh-xiao-dissertation-defense	2024-04-11	seas, engineering, biomedical engineering, chemical & environmental engineering, electrical engineering, mechanical engineering, materials science, bme, cee, ee, mems
Yale Engineering Dean's Invited Speaker Series: Lori Goler '91, Head of People, Meta	seas.yale.edu/news-events/events/hugh-xiao-dissertation-defense	2024-04-11	seas, engineering, biomedical engineering, chemical & environmental engineering, electrical engineering, mechanical engineering, materials science, bme, cee, ee, mems
Faculty Candidate EE Seminar - Boris Landa, Yale - Th. April 11, 4pm	seas.yale.edu/news-events/events/hugh-xiao-dissertation-defense	2024-04-11	seas, engineering, biomedical engineering, chemical & environmental engineering, electrical engineering, mechanical engineering, materials science, bme, cee, ee, mems
YUAA Aeronautica Showcase (RSVP only)	seas.yale.edu/news-events/events/hugh-xiao-dissertation-defense	2024-04-11	seas, engineering, biomedical engineering, chemical & environmental engineering, electrical engineering, mechanical engineering, materials science, bme, cee, ee, mems
ASML EUV Challenge	seas.yale.edu/news-events/events/hugh-xiao-dissertation-defense	2024-04-16	seas, engineering, biomedical engineering, chemical & environmental engineering, electrical engineering, mechanical engineering, materials science, bme, cee, ee, mems
Nyquist Lecture in Electrical Engineering: Eyes, Cameras, Depth Perception and Machine Vision	seas.yale.edu/news-events/events/hugh-xiao-dissertation-defense	2024-04-17	seas, engineering, biomedical engineering, chemical & environmental engineering, electrical engineering, mechanical engineering, materials science, bme, cee, ee, mems
SEAS Faculty Meeting (Closed)	seas.yale.edu/news-events/events/hugh-xiao-dissertation-defense	2024-04-18	seas, engineering, biomedical engineering, chemical & environmental engineering, electrical engineering, mechanical engineering, materials science, bme, cee, ee, mems
Yale Engineering Postdoc Q&A Series: Dean Sarah Miller	seas.yale.edu/news-events/events/yale-engineering-postdoc-qa-series-dean-sarah-miller	2024-05-01	seas, engineering, biomedical engineering, chemical & environmental engineering, electrical engineering, mechanical engineering, materials science, bme, cee, ee, mems
Yale Engineering Unconscious Bias Talk	seas.yale.edu/news-events/events/yale-engineering-postdoc-qa-series-dean-sarah-miller	2024-05-10	seas, engineering, biomedical engineering, chemical & environmental engineering, electrical engineering, mechanical engineering, materials science, bme, cee, ee, mems
UNIVERSITY COMMENCEMENT	seas.yale.edu/news-events/events/yale-engineering-postdoc-qa-series-dean-sarah-miller	2024-05-20	seas, engineering, biomedical engineering, chemical & environmental engineering, electrical engineering, mechanical engineering, materials science, bme, cee, ee, mems
CS Commencement Gathering	seas.yale.edu/news-events/events/yale-engineering-postdoc-qa-series-dean-sarah-miller	2024-05-20	seas, engineering, biomedical engineering, chemical & environmental engineering, electrical engineering, mechanical engineering, materials science, bme, cee, ee, mems
EE Commencement Gathering	seas.yale.edu/news-events/events/yale-engineering-postdoc-qa-series-dean-sarah-miller	2024-05-20	seas, engineering, biomedical engineering, chemical & environmental engineering, electrical engineering, mechanical engineering, materials science, bme, cee, ee, mems
CEE Commencement Gathering	seas.yale.edu/news-events/events/yale-engineering-postdoc-qa-series-dean-sarah-miller	2024-05-20	seas, engineering, biomedical engineering, chemical & environmental engineering, electrical engineering, mechanical engineering, materials science, bme, cee, ee, mems
MEMS Commencement Gathering	seas.yale.edu/news-events/events/yale-engineering-postdoc-qa-series-dean-sarah-miller	2024-05-20	seas, engineering, biomedical engineering, chemical & environmental engineering, electrical engineering, mechanical engineering, materials science, bme, cee, ee, mems
BME Commencement Gathering	seas.yale.edu/news-events/events/yale-engineering-postdoc-qa-series-dean-sarah-miller	2024-05-20	seas, engineering, biomedical engineering, chemical & environmental engineering, electrical engineering, mechanical engineering, materials science, bme, cee, ee, mems
Yale School of Engineering Commencement Celebration	seas.yale.edu/news-events/events/yale-engineering-postdoc-qa-series-dean-sarah-miller	2024-05-20	seas, engineering, biomedical engineering, chemical & environmental engineering, electrical engineering, mechanical engineering, materials science, bme, cee, ee, mems
CS Talk - Sarah Cen	cpsc.yale.edu/event/cs-talk-sarah-cen	2024-04-12	cs, computer science
CS Talk - Yiding Feng, Postdoctoral Principal Researcher/University of Chicago Booth School of Business	cpsc.yale.edu/event/cs-talk-yiding-feng-postdoctoral-principal-researcheruniversity-chicago-booth-school-business	2024-04-17	cs, computer science
YCBI Faculty Candidate Seminar Zhichao Xu	westcampus.yale.edu/event/ycbi-faculty-candidate-seminar-zhichao-xu	2024-04-09	wc, west campus
Microbial Sciences Institute SMALTalk (WC ABC-373)	westcampus.yale.edu/event/microbial-sciences-institute-smaltalk-wc-abc-373-5	2024-04-12	wc, west campus
